

**REMARKS**

Reconsideration and allowance in view of the foregoing amendment and the following remarks are respectfully requested.

Claims 1-10 and 12-21 are now pending.

Claim 10 and 13-15 were rejected under 35 USC 102(b) as being anticipated by Olsen. Applicant respectfully traverses this rejection. However, to advance prosecution, the allowable limitations of dependent claim 11 have been incorporated into an amended claim 10, claim 11 has been canceled, and the dependency of claim 12 has been revised accordingly. It is therefore respectfully submitted that the Examiner's prior art rejection has been mooted.

Applicant notes with appreciation the Examiner's indication that claims 1-9 and 16-21 are allowed and that claims 11 and 12 contain allowable subject matter. As noted above, the allowable limitations of claim 11 have been incorporated into amended claim 10 so that claims 1-10 and 12-21 should all now be allowed.

All objections and rejections having been addressed, it is respectfully submitted that the present application is in condition for allowance and an early Notice to that effect is earnestly solicited.

Respectfully submitted,  
**NIXON & VANDERHYE P.C.**
